## G.A.A. GIRLS HOLD SECOND ANNUAL PARTY FOR POPS

## DIANE WEBB TO HEAD CAST IN 'THE EAGER MISS BEAVER'

### PARTY FOR POPS

Fathers of girls belonging to G. A. A. were guests of honor at the second annual dad-daughter progressive game party held Tuesday evening.

A welcome speech was given by G. A. A. president, Verna Hellman, after which a contest was held to determine the oldest, youngest, tallest, and shortest father present.

Winners were Mr. Bob Coultas-youngest, Mr. Ben Zenk -oldest, Mr. Walter Guller-tallest, and Mr. George Turner-shortest.

The guests were divided into ten teams and games were played. Mr. Gus Hellman was captain of the winning team. Prizes were awarded to the winners.

Diane Webb will head the cast of the junior play, "The Eager Miss Beaver," to be presented in the high school gym, November 21.

One hundred and two juniors and seniors took a Scholarship Qualifying Test Tuesday, October 21, in rooms 202 and 203.

Unlike most scholarship tests, the results will not be kept secret. Although juniors were allowed to take the test, their results will be used entirely for guidance helps, since only seniors are eligible for scholarships.

The test, which lasted two hours, was administered by Miss Sloan, Miss Wood, Mr. Dickey, and Mr. Miller.

Every applicant had to pay a fee of one dollar before he could take the test.

Mary Lou Buch portrays Gazella, the domineering mother of Doreen (Nancy Baptist) and Harland (Paul Riley).

Tillie (Sherry Grebel) is the English housekeeper who is afraid of spooks; Canasta (Kay Funke) is the cook; Hank (Don Pebbles) is the gardener. Verbena, an aristocratic neighbor, is played by Joyce Burnham, and her brother Dickey is played by Jim Bonser. Mike Reynolds plays Prentis Prouty; John Helm portrays the "faceless fiend."

The student directors are Elaine Albert and Les Frisse; Kay Ryan, Jane Wiedey, and Jo Wopat are the prompters.

Rehearsals for the play, which Miss Colebar is directing, have already started.

## STAFF MEMBERS REPRESENT E.H.S. AT ANNUAL PRESS CONVENTION

Eight delegates and two sponsors from EHS attended the Illinois State High School Press Association's annual convention at the University of Illinois in Urbana last week-end.

Attending the convention from the Tiger Times staff were Sandra Michel, Sue Brockmeier, Sherry Hansen, and Jewel Jones. These four girls were accompanied by their sponsor, Miss L. Thompson.

The yearbook staff was represented by Jim Boyle, Elaine Helm-

kamp, Verna Hellman, and Bonnie Lamb. They stayed at the Inman Hotel, with Mrs. Warmbrodt, their sponsor, and Miss Thompson.

The girls from the Tiger Times stayed at the Pi Beta Phi sorority house with a former E. H. S. graduate, Marina Lucco.

The convention began at 8:30 A.M. Friday and ended at 2:30 P. M. Saturday.

A dance and game party was given Friday evening in the Illini Union Ballroom, for the delegates.

## YEARBOOK TO BE NEW AND NOVEL THIS YEAR

Forty more pages for pictures. A thirty-two page summer supplement.

These are only two of the many improvements of the new yearbook format, according to Bonnie Lamb, editor.

A padded cover, bigger club pictures, no ads, and -- for only fifty cents extra -- the owner's name in gold are the other features promised by the Tiger, sponsored by Mrs. Margaret Warmbrodt.

STUDENT COUNCIL CAMPAIGN

# Cutting Out Making Out

"Every boy must walk 5 paces in front or in back of any girl walking close to him." Ridiculous? Naturally! However, some people around EHS seem to think that this is going to be announced any day now.

It all started when the Student Council sent notes to the teachers, asking them for suggestions to improve EHS.

One teacher wrote that a simple statement of what is in good taste in boy-girl relations is needed. The Council members were to report this to their roll rooms.

Interviews with teachers and students reveal that most of them think EHS is above average in taste.

They believe that walking with a girl to class, talking to her, carrying her books (if you feel ambitious) and such are all right. The hand-holding should be saved for football games and bean dances, and the arm-in-arm bit until the two are alone.

Any controversy on this? If any teacher or student disagrees please write a letter and put it in the box labeled "Letters to the Editor" outside the office. Upon request, names will not be printed, but all letters must be signed.

# Patriotic Parking

-Paul Riley

Opinions around the town on orange and black parking meters seem to be very favorable.

The adults don't have any complaints. In fact, there have been compliments on them, such as: "At least they show up, where those old drab grey ones didn't." The adults must be getting soft-hearted to "those crazy teen-agers".

The kids around school all seem to like them. One boy said, "You know, the city must know there is a high school after all! The "cats" think the meters are really "cool".

We all owe the city a round of thanks for having the meters painted. Remember-it wasn't just a mistake, but a vote of confidence.

# NAMELESS RETURNS

-Marilyn Kuchta

This is an interview with the man from the editorial cartoon..

"I was born in a small town southeast by northwest of Ashtabula, Ohio. As a child, I was very young. Following on my father's footsteps-- but that didn't last long, because they didn't allow minors in the building."

I asked him what school he attended before coming to EHS. He replied, "Aunt Gerty's Reform school."

"Do you like it here?"

"Well, cat, it's like wow, the glad hand they give me, Jazzbo."

As we back off slowly, our interview is brought to an abrupt close.

The "Name the Man" contest will be on for another 2 weeks. Winner will receive half price on next semester's subscription.

# Dickey Attends Guidance Meeting

"I was impressed with the insight and quality of the discussions," stated Mr. Frank Dickey, of the guidance meeting he attended at Illinois State Normal University, October 3 and 4.

Mr. Dickey was chairman, substituting for Mr. Correll, at one of the sectional meetings, entitled "Parents, Pedagogy, and Problems."

Miss Sloan and Miss Smiser also attended and were impressed with the close T.V. program given "live" on the campus.

Miss Sloan, program chairman of the convention, attended "A Look at High School Marriages," one of the sectional meetings. Miss Smiser attended "Guidance Responsibility of the Classroom Teacher."

# ART STUDENTS BEGIN PROJECTS

An approximate 102 students of Miss Longhofer's art classes are busy working on projects.

The advanced art class has gone outside and worked on still-life paintings with water color.

They have now started working with tempera and colored chalk and are making a notebook about art through the ages.

Along with this notebook, they are doing research on artists.

The other art classes recently started on architecture. They are drawing the interior and exterior of houses. One class is making model houses.

# EHS ELIMINATES HALLOWEEN PARTY

"The high school is not included in the plans for the Halloween party, next Friday night," explained Principal Nolan Correll, in pointing out that EHS will have a football game and bean dance at that time.

# SMITH BUYS VOLKSWAGEN

The day school closed last year, Miss Elaine Smith, who teaches general business and typing at EHS, bought a black, 1958 Volkswagen. She bought it, she said, because it is economical and easy to drive.

Among the Volkswagen's many advantages, Miss Smith discovered at least one disadvantage. During a hard rain, as the water steadily rose higher, she saw her little car about to float away.

The water soon began to go down, much to her relief, so the tiny vehicle stayed put.

# MERIT SCHOLARSHIP

# Two Seniors Make Finals

Darlene Helmich and John Blixen are among the ten-thousand finalists of the National Merit Scholarship Test.

They will take a college entrance examination board test, December 6. The students who pass this test will be eligible for scholarships offered by more than 80 business and industrial organizations, professional societies, foundations, individuals, and the NMSC itself.

All finalists will receive certificates of merit, and all colleges and universities will be notified of all finalists' names so that other scholarship awards may also materialize.

# HELLRUNG, HLAVSA MODELS FOR A DAY

Two EHS students were recently models for a day.

Betty Hellrung, in a hula skirt, and Joe Hlavsa, with his accordion, posed for the twenty-two members of a photography class.

Mrs. Elizabeth Miller, Miss Joan Hunter, and Mr. Gene Little, high school faculty members, are among those attending this class in color photography, an extension course of SIU.

Instructing the group is Mr. Ed Paeltz, commercial photographer from La Clede Steel Co. The last class was a field trip to Stanley Processing Plant, St. Louis, where the group saw actual processing of color film.

A future field trip will include indoor picture-taking at Famous-Barr Northland, St. Louis.

# SENIOR GETS DEER

While hunting in Union County Game Preserve near Cairo, Illinois, about a week ago, Larry Szegedy killed with bow and arrow a 208 pound deer.

This adventuresome senior is a member of the Edwardsville Uniwah Field Archery club.

# All State Nominees Selected

Mr. Etzkorn and Mr. Kessinger have announced the All State band and chorus nominees for the 1959 All State Music Activity.

Nancy Blackmore, who plays clarinet, and Russ Solomon, who plays trombone, were selected as nominees for the 15th annual All State Band.

The nominees for the 22nd annual All State Chorus include Bill Houba, bass; Don Riplinger, bass; Allan Wallace, tenor; Ed Wentz, tenor; Judy Richardson, alto; and Marion Treat, soprano.

From the above nominees probably only one will be selected for the band, and four for the chorus.

The All State Music Activity will take place on the University of Illinois Campus, January 30 and 31.

# SOPH TRI-HI-Y INSTALLS OFFICERS

The new Kappa Delta Epsilon Tri-Hi-Y Club held its installation of officers Tuesday night.

The sophomore officers include Jane Guthrie, president; Betty Stein, vice-president; Marlene Caulk, secretary; Virginia Stoces, treasurer; Nancy Wieshaupt, chaplain; and Myrna Mallory, historian.

Sponsored by Miss McCowan, the club's near future plans include a hayride November 1, and a bake sale later in the month.

# JUNIORS TO TAKE STATEWIDE TESTS

The Illinois State-wide tests will be given to juniors and seniors who have not previously had the test, October 28 and 29.

The purpose of these tests is to show how E.H.S. and individual students rank in comparison with other schools, and with students throughout the state. The tests give background for college, also.

# BRADLEY SPEAKS

Discussing General Charles de Gaulle and his New French Republic, George Bradley spoke at a recent meeting of the French Club.

George, a sophomore enrolled in French II, talked to the group last year on weaknesses in the government of France. His latest report pointed out the improvements that have been made.

# COOKS SERVE MORE PUPILS

"Serving 100 more students makes us happy," commented Mrs. Parker, and E.H.S. cafeteria cooks.

Agreeing that more students are buying the type "A" lunch this year, the cooks stated that the average student seems to enjoy the hamburger, spaghetti and newly added Salisbury steak meals the best.

The total number of cafeteria utensils being destroyed or damaged also has improved.

## EDUCATION WEEK

# FTA PLANS ASSEMBLY

In recognition of American Education Week, November 9-15, the F.T.A. Club is planning a comedy-type assembly.

One of the skits to be presented is a comparison of American and Russian schools.

Kenny Schmidt will be the master of ceremonies for the program.

# Nurses' Club Starts At EHS

A brand new organization, the Nurses' Club, with Miss Lee Colebar as sponsor, has been added to E.H.S.'s roster of activities.

The new officers are Judy Guthrie, president; Sally Baird, vice-president; Jane Pulliam, secretary; and Peggy Knibb, treasurer.

The purpose of the club is to interest people in health and social work, and to acquaint members with doctors and hospitals.

# FRESHMEN ELECT COUNCIL MEMBERS

During the 2nd week in October, the freshman rollrooms elected their representatives for the '58-'59 Student Council.

Those elected were Kit Blackmore, 101; Elaine Freese, 106; Barbara Guller, 108; Susie Kriege, 304; Larry Madison, 137D; Betty Pyle, 203; Gary Schumacher, 205; Ruth Solter, 311; and Walter Weeks, 322.

# NEW JR. HIGH MAKES PROGRESS

Grading of the twelve-acre site for the new junior high school is practically complete. This site, to the rear of the high school stadium, will provide space for a large playground and for an ample parking lot.

Mr. Gordon Dodds, superintendent, recently told Tiger Times that blue prints are complete and that the contract has been given to L. Korinek and Son.

He also stated that the combined cost, including the building contract plus grading, will be approximately \$1,011,963.

"By September of 1959, use of most of the building is expected," continued Mr. Dodds. "By January of 1960, the rest is expected to be completed."

Grades kindergarten through third will be in the Columbus building, and grades four through six will be in the present junior high building.

## GRAND OPENING

# Kids Refurbish T. Town

Climaxing six weeks of fixing and cleaning by E.H.S. students, the grand opening of the new Tiger Town building was held last night.

The building, a former automobile garage, was remodeled by students with the help of interested Edwardsville citizens. It consists of two adjoining rooms, the larger to be used for dancing and the smaller for snacks.

An orange and black theme is used throughout the establishment.

A highlight of the snack room is white

cafe curtains, trimmed with orange and black, with a black ruffle at the top. Black tile covers the floor, with the exception of a large orange tile "T" in the center.

Admission to the building is by a membership card.

Tiger Town will be open every day after school from 3:30 to 5, Tuesday and Thursday nights from 7 to 10, Saturday afternoon from one to 5, and Friday and Saturday nights from 7 to 11, if no other school function is scheduled.

# TIGER TIDBITS

**STAY OFF THE ROAD....**More than twelve EHS students who have just turned sixteen, applied for their drivers licenses. Some of them are Charles Van Winkle, Joyce Heuer, Terry Hopkins, Mary Johnson, Kay Thebeau, Dennis Ringering, Janice Bivens, and Ann Sink.

**QUEEN FOR A DAY....**Did you notice the crown on the head of Doris Jennings, a cafeteria cook? This crown appears on the head of a cook on the day of her birthday and she is proclaimed "Queen for a Day".

**FIVE BIG TOMATOES IN A LITTLE BITTY CAN....**Many people traveling the roads to Champaign last Friday were very much surprised to see five lovely ladies riding comfortably in a foreign-born Volkswagen. Little did they know that that little car also carried two large suitcases, a train case, shoe boxes, a suit box, and five coats. The occupants were Miss Leora Thompson, Sue Brockmeier, Sherry Hansen, Sandy Michel, and Jewel Jones, enroute to the state high school Newspaper Convention.

**DADS AND DAUGHTERS....**Many dads, just kids at heart, and their daughters had a fun-filled night at the GAA Dad and Daughter Party last Tuesday. It was quite a sight to see the men struggling to keep up their hulu hoops.

## --DID ANYONE NOTICE?--

The weary and exhausted look on the faces of many juniors and seniors as they returned to classes on Tuesday morning after two hours of tests??

## SOME PRANKS

## AREN'T FUNNY

Every year Halloweeners take the chance to have a little fun playing pranks. Some of these are considered funny, or are traditionally accepted.

Then there are the few who get caught.

Wanda King, once soaping a car window at Rusty's, was caught and turned upside down in a mud puddle.

Paul Mory remembers stringing toilet paper across the street, causing a motorist who thought it was a blockade to slam on his brakes.

Police in Granite City caught Susie Turner and three other girls stringing toilet paper around the trees. Their punishment: rolling it up again!

# SPOOKS STEAL SHOW

With the approach of Halloween, traditional ghost lore permeates corridor chatter and influences choice of party costumes.

NANCY GIACOMELLI was overheard telling Larry Suhre that she is afraid to walk past a cemetery at night on Halloween, lest she see a ghost.

COACH LUCCO told his sociology class of an old Italian legend of an owl's hooting at night. This weird sound means death of a friend, a member of the family, or a member of the neighborhood.

To break this spell, one has only to tie a knot in a red kerchief.

Questioning lured many students into telling of their holiday disguises, and of their favorite treat when prowling on the trick-or-treat circuit. LES HELMKAMP is

going to the Halloween party as a small albino rat, with little pink ears. He likes to get jelly beans as a handout.

BUD VALLINO, who prefers a candy apple as a treat, plans to go as a big white rabbit with a black puffy tail.

Sports fan DAVE CARNAGHI will dress as a good lookin' tiger. He will be happy to receive an apple.

DIANNE ALBERTER will be sneaking around as a black cat, looking for lolly pops.

LARRY UNGER, BOB KOOKER, MIKE REYNOLDS, and ED WENTZ will impersonate the Jolly Hobos.

MYRON SCHUMACHER says he will be sporting a snake skin in his act of a drunken snake crawling straight. He'd love to get cash, checks, or money orders as a treat.

## BURNS ESCORTS QUEEN JONES

"At this moment it is my great pleasure to announce the name of the homecoming queen of 1958—the lovely Miss Jewel Jones. She is proudly escorted by her royal escort, James Burns."

With this announcement, the suspense of the homecoming coronation was ended.

"It still seems like a dream," stated Queen Jewel in an interview. She added that the most thrilling moment occurred when Marina Lucco, 1957 queen, placed the crown on her head.

The spotlight next turned to royal escort Jim Burns. After he was told that he had been elected royal escort, Jim got nervous about straightening the train and his other royal duties. Jim stated, "Coach Lucco and Myron Schumacher helped ease the tension with their many jokes."

## Y Conducts Campaign

"The high school kids are the YMCA leaders!", stated Russ Solomon, president of the YMCA Junior Board of Directors, during an interview concerning the Y campaign.

This past week the YMCA conducted a membership drive. Posters were put up, and Wednesday a group of Junior Board members went to the junior high to arouse interest in the younger grades. Younger members

are needed to keep a growing Y, but the high school class is important to lead them in the right direction.

Some of the activities the Y sponsors are tennis, basketball, pool, ping-pong, chess, and swimming instruction.

The membership fee is three dollars per calendar year for all high school students. As the Y slogan states, "The Y needs you, and you need the Y."

## THE AVERAGE MAN?

### MAN ON THE STREET

-BY SEYMORE PEOPLE

Today your roving reporter travels to Mudville, an average American town, to talk to an average man on an average street. Here comes a likely victim. Q. Sir, could we speak to you as an average man of the average city of Mudville?

A. Duh, --well, I guess I'm purty average.

Q. Okay sir, could you give us your name?

A. Duh, my name is Joe.

Q. And what's say your last name?

A. Duh, well--ahh, it's aaa Joe er-a, I a can't think of it but it's right on the tip of my tongue--oh, yes, it's Saliva--Joe Saliva.

Q. Thanks, Joe, and what is your occupation?

A. Uh, I'm a purple people eater peddler.

Q. Oh, what do you do in that profession?

A. If a poor little ol' purple eater comes to us from a different country, I try to find him a home. (ZOOM) Oh, here comes one--Bye. I have to do my job.

# Warriors To Fight Tigers, Here

Andy Sullivan, new coach this year, will lead the Granite City Warriors in the fight to defeat the raging Edwardsville Tigers in a conference game tonight, on the E.H.S. gridiron.

## PAST RECORDS

Edwardsville, now holding a two-one conference game win-loss record, will try to uphold the winning streak of previous years. Last year Edwardsville nipped the red and white Warriors 14-0. In 1955 and 1956 the Tigers upset Granite City 20-13 and 18-0 consecutively.

## GRANITE'S RECORD

Granite City, also using the "T" formation, has a three-one-one win-loss-tie record this season. They defeated Wood River, Roosevelt of St. Louis, and Decatur, but were nailed by East St. Louis and tied by Madison. They now hold fourth position in the conference rating, while Edwardsville holds third.

## TOP PLAYERS

Top players for Granite are Ed Ford, right

## PASSING REMARK

## BRINGS COLOR

A passing remark resulted in orange and black parking meters all over town.

In the past, the meters have been painted a dull grey. During a meeting of the City Council, it was decided that the parking meters needed repainting.

Someone made a passing remark that it would be a good idea to paint them orange and black for the high school Tigers.

And they did.

## PLAYDAY

Tomorrow the E.H.S. G.A.A. will be the guest of a playday at Hillsboro.

and, and the two Lybarger brothers playing fullback and end positions.

Granite depends greatly upon skills in passing as well as runs from its team.

## WARRIORS' COACH

Coach Sullivan recently taught at Mattoon, Ill. and is regarded as a very nice fellow by all the coaches around here. He also is head of the basketball team. Coach Benny Isselhardt stated that the game tonight will be equally balanced, with good plays expected from both teams.

## TIGER PERSONALITY

# 'GO TIGERS' IS DONNA'S CHEER

"Go you Tigers" is the cheer Donna Brockmeier, EHS cheerleader, can be heard yelling to all students and players in assembly and at games.

Donna started cheering as a lone sophomore on the varsity squad with Eileen Hertel, Kay Holbeck, Phyllis Cell, Marina Lucco, and Dora Hutton.

## THE COOLEST

This third-year cheerleader replied when asked about the coldest football game she could remember, "Oh! Oh! Let me tell you about that. It was in Decatur when we wore our outfits, coats and blankets. After each quarter, we had to get into the station wagon to warm up."

## SURE VICTORY

Chewing gum before each game is one way for Donna to insure a victory. She remembers that she not only chewed gum but also wore the same clothes, and ate the same foods before each game dur-

# E.H.S. TO HOST

# DISTRICT MEET

Fourteen schools will meet at E.H.S. for the district conference tomorrow morning.

Seven of the following boys will run for the E.H.S. Tigers. They are Ed Wentz, Myron Schumacher, Duane Myer, Johnnie Hairston, Dick Cochran, Larry Munton, Kenneth Connors, Ed Piquard.

The top two schools will send their teams to state. Alton, Belleville, and Edwardsville are picked to be in close competition.

The two schools representing this district will go to Champaign on November 1.

ing the regional last year.

During the month of August Donna practiced and trained the new cheerleaders, "I think our squad will be one of the best", stated Donna. They have thirty cheers which they practice daily.

## OTHER THINGS

In Donna's personal life, we find pizza is her favorite food, "Kids that don't cheer at games" is her pet peeve, and Sue Brockmeier is her double cousin.

Membership in FTA and GAA, editing Tiger Times, and serving as special maid to homecoming queen are among Donna's main interests.

The UofI or Eastern will be Donna's choice of college for next year.

THE  
SPORTLIGHT

BY LADDIE AUBRECHT

**BASKETBALL PRACTICES START.....**The local hoopsters have already started practice in preparation for the 58-59 cage semester. Most of the boys, except for the few who play football, began the first of October.

**STATE QUALIFICATION TOMORROW.....**Tomorrow morning at the American Legion field about 13 cross-country teams will try to gain further recognition by going on to state. The first two teams and the top five runners get to go to Champaign for the state championship meet. The Tiger team captured second place last year in the state meet.

**FOOTBALL HAS ANOTHER MANAGER....**In the last issue of the Tiger Times we forgot to include Dennis Schafer as a manager for the Tiger football squad.

**TIGERS DROP LAST TWO GAMES....**After winning the Homecoming game, the Tigers have had trouble getting started by dropping their last two games. Let's all get down to Granite to give support to the Tigers, who will face the "Happy Warriors", who are having one of their best seasons. They have a 4-1-1 record.

**JUNIOR VARSITY CHEERLEADERS.....**The junior varsity cheerleaders have been added to the scene, starting with the Collinsville game. They are Tona Carter, Diana Webb, and Carolyn Fruit.

# Burrus's Tackles Bruising

Dean Burrus, to his football mates, Dino, is a five-foot 190-pound tackle and this issue's star of the game, chosen because of his outstanding playing in the Alton-Tiger tussle.

Dino, rough-and-ready letterman, has been playing high school football for three years and also participates in track and wrestling.

Last year Dino was moved from the Bengals center to tackle, to give the line more balance. His position is tough, in that he is playing both defensive and offensive.

The roughest game he said he ever played was against the East St. Louis Flyers when they shut out the Tigers 34-0.

Big Bob Spencer, 1956, is the E.H.S. player among all other Tigers, who stands out most in Dino's mind.

## McFADDEN HOLDS COURSE RECORD

Jerry McFadden, a senior from Belleville, blazed his way to an Edwardsville High School cross-country record by breaking the 10:9 mile tape in 9:36.9 minutes in the Southwestern Conference regionals.

Trailing McFadden by approximately 15 yards at the finish line were Don Trowbridge and Pierce of Alton; Myron Schumacher and Ed Wentz of the Bengals; Tom Butler, Alton; and Johnny Hairston, Tigers. Following were Alton's Patterson, Belleville's Machessel, Granite City's Goode, Alton's Farnback, Belleville's Orr, and Dick Cochran of EHS.

Alton, with 30 points, won the meet; second came the Tigers with 51 points. Close on their trail was Belleville with 53; Granite City, 117; Wood River, 132; East St. Louis, 163; and Collinsville, with 177.

Ron Evan, Wood River, broke the tape in the frosh-soph skit clocked at 10:26 minutes, followed by Bob Jackson, Collinsville, and Edwardsville's George Burnham.

## BENGALS DROP TWO, WIN ONE

Before a chilled crowd the Tigers were tripped up 6-2 by the Trojans from Madison on the local field last Friday evening.

The Tigers scored in the second quarter with a safety, the Bengals' only two points.

Madison scored their lone touchdown in the third period, a pass from Riddle to Young.

## ALTON

The Tigers were trounced by the Alton Redbirds, 39-0, in a Southwestern conference game, on the winner's gridiron before their homecoming crowd.

Alton scored twice in the first quarter, three times in the second, and once in the last quarter.

## COLLINSVILLE

The Tigers romped over the Collinsville Kahoks, 19-0 in the Homecoming game, adding the Kahoks as their third straight victim after dropping the opening game of the season.

# Burns' Tackles Bruising

BY LADIE AUBRECHT
