WELCOME

On behalf of the administration it is a pleasure to welcome you to Edwardsville High School and to offer you our best wishes for a successful and meaningful school year.

The successful operation of a large high school is a complex process involving many groups and diverse points of view. It is my hope that in the midst of what could be a highly structured and impersonal organization we can, through better avenues of communication, work together so the best interests, the happiness and welfare of each individual can be served.

If we can resolve to work together in a spirit of cooperation in all kinds of situations, I am sure we can all look back as June rolls around and say, "This has been a very good year."

A MESSAGE FROM STUDENT COUNCIL

On behalf of your student council, I would like to welcome you to the 1971-1972 school year at EHS. We will move this year farther and faster than ever before. Positive action, respect, and patience will win us our victories. Polarization, apathy, and cynicism will merit our defeats. May we teach as we learn and mature as we grow. We must constantly be aware of those changes to be made while respecting those traditions that have brought us to the present.

Try to remember that we are one, striving for the same goals. Our purpose here is to learn more about how to work and live together progressively and intelligently, preparing for that day when you and I will help determine the future of the human race.

Bob Runge, *President*

SCHOOL POLICIES

Edwardsville Senior High School

GENERAL STATEMENT

In all cases involving attendance and discipline, every effort will be made by teachers, counselors, deans and administration to work with the individual student and his parents to avert the more stringent procedures outlined in some of the following statements.

ATTENDANCE

Punctual and regular attendance at school is very important. The parent or guardian should call the school (656-7100) before 11:00 a.m. the morning of the first day of absence and give the reason and possible duration of the absence. If it is impossible to phone, a note should be sent to school indicating the length of time and the reason for the absence.

If possible, the school should be notified in advance to pre-arrange absences. Routine medical and dental appointments during school hours are discouraged. If such appointments are necessary, verification from the doctor is in order.

Homework assignments may be requested by parents after a student is absent two or more days.

UNEXCUSED ABSENCES

The accumulation of ten days of unexcused absence (truancy and/or suspension) per semester will result in the loss of all academic credit for that semester. A hearing for expulsion will be requested for any student who has accumulated

this number of unexcused absences. Truancy from individual classes will also be recorded and applied toward the number of days of unexcused absences, with four "cuts" equalling one day.

TARDINESS

Students who are tardy to school must sign in at the main office before going to class. Students tardy to class are to go directly to class. Teachers will admit students after the bell rings; however, chronic tardiness cases will be required to make up time after school.

ADMIT SLIPS

No student should be readmitted to class after an absence without an admit slip. The admit slip should be signed by all teachers. Students who have brought notes indicating the reason for their absence may take them to their first hour teacher for an admit.

LEAVING THE CAMPUS AND EARLY DISMISSAL

Except for the lunch period, no student will be permitted to leave the campus unless a parent, close relative or neighbor can be reached and permission secured by the dean. Subject to a ruling on an open campus policy, students may leave the campus during their regularly scheduled lunch period, but are expected back in class at the end of that period. At all other times a student should not leave the campus without seeing the dean. In addition, students leaving the campus must sign out in the main office.

GUIDELINES FOR STUDENT BEHAVIOR

Classrooms, corridors, study halls, and other areas within the building and on the grounds are parts of an educational institution. Students conduct should be of a nature so as not to inter-

ferre with the right of all students to the best possible learning atmosphere.

1. All classes are to be dismissed by the teacher. This should be done in an orderly manner.
2. Students are not permitted to smoke in the school building, on campus, or on the school buses. The first offense for smoking will result in a one-day suspension, subsequent offenses a three-day suspension.
3. The possession or use of intoxicating liquor or prohibited drugs is expressly forbidden. This applies to the school day or at any school sponsored function either on or off campus. Students possessing or using any intoxicating beverages or prohibited drugs will be suspended from school for a minimum of five days, and may be suspended from all school activities, and may be subject to a hearing for expulsion.
4. All teachers have the authority and the duty to correct misconduct at any time.
5. Students are not permitted in halls during class periods unless accompanied by a teacher or have a hall pass from an authorized staff member.
6. Students are to be out of the building within ten minutes after their school day ends unless they have a pass from a teacher or are involved in an activity under the supervision of a staff member.
7. Disrespectful behavior fighting, boycotting classes, truancy and hustling are justification for suspension from school.
8. Students possessing any type of weapon will be suspended from school and recommended for expulsion.

The deans will keep a file on all cases of misbehavior of students. When the record of the student is such that his continued presence is

creating a disturbance to the faculty and other students, a conference should be held with all faculty involved to determine if the case warrants a hearing for expulsion.

THE SCHOOL AND THE LAW

Any unlawful act taking place on school grounds or buses not only makes the student subject to penalties which the courts may prescribe, but may also result in suspension or expulsion from school.

DAMAGE TO SCHOOL PROPERTY

Any student who shall destroy or deface school property shall be required to correct or pay in full for the damage. Failure to do so can result in suspension or expulsion, depending upon the severity of the case.

SUSPENSION

Students suspended from school are not to be on school property during the time of suspension. Failure to abide by this regulation will subject the student to arrest for trespassing.

RULES OF CONDUCT FOR ATHLETIC AND EXTRACURRICULAR SCHOOL EVENTS

1. No participant or spectator shall indulge in, be under the influence of, or have in his possession at any school event any intoxicating beverages or prohibited drugs.
2. Conduct and behavior that disrupts or hinders the proper operation of a school activity is prohibited. Violators will be removed from the premises by the police.
3. Directions given by school authorities or those in charge of a school activity shall be heeded and promptly obeyed.

4. Any person in violation of the above rules may be denied admission to school events or the right to participate in school activities for the remainder of the school year.

DETENTION STUDY HALLS

Supervised eighth and ninth hour study halls will meet every day from 3:10 to 3:40 and 4:05 to 4:35 respectively in Room 203. If a student is assigned to a detention study hall, this takes precedence over all other activities such as athletics, band, chorus, dramatics, or outside employment. Students are to be prompt and bring materials with which to study. If the supervising teacher has to send a student out of the detention room for misconduct, the student will be suspended from school.

Students should remember that they are to attend the detention study halls at the above times whether they are on an earlier schedule or not.

VISITORS

Other than the parents or guardians of students, visitors must secure a pass from the administrative assistant at least one day in advance. A visitor coming to the high school during school hours should enter from the main entrance of the building (center entrance, east side) proceed to the main office, identify himself, state the purpose of his visit, and receive a pass. According to the Illinois School Code, anyone not following this procedure is trespassing and is guilty of a misdemeanor.

STUDENT PARKING

There is not enough parking space to provide parking for all students. Parking will be on a first come basis. Those students parking on the school lot must observe the following regulations.

1. Unnecessary noises such as deliberate tire squealing, loud mufflers, and the use of the horn are prohibited.
2. Speeding or careless driving is prohibited.
3. Sitting in cars is prohibited.
4. Aimless cruising around the parking lot is prohibited.
5. A parking registration form and a decal must be obtained from the administration assistant.
6. No student parking is permitted in the numbered faculty spaces or in spaces set aside for visitors.
7. Students should park carefully in the spaces provided. It is strongly recommended that all cars be locked.

SCHOOL NURSE

The school nurse will be in attendance Monday through Friday in the clinic at the tennis court end of the second floor. Students wishing to see the nurse should secure a pass from the deans before going. All ninth grade students are required by law to have a physical examination and a dental examination. These examination forms should be presented to the home room teacher no later than the first week of school. This examination will also meet the requirement for ninth grade boys going out for sports.

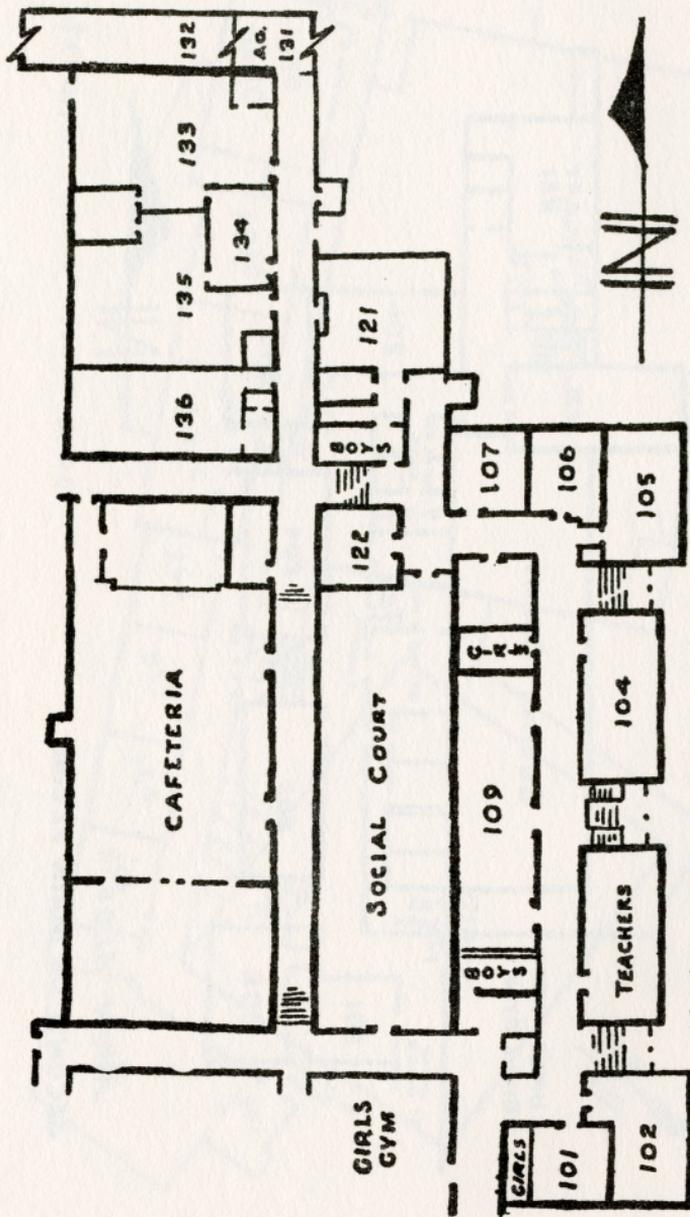

STUDENT DRESS

Recognizing that the student expresses his individuality and his attitude toward himself and others through his personal appearance, the school should give due respect to the individual and his parents in the matter of dress. Nevertheless, it is the responsibility of the school principal, in consultation with faculty, students and parents, to establish and enforce such reasonable standards of dress as are necessary to:

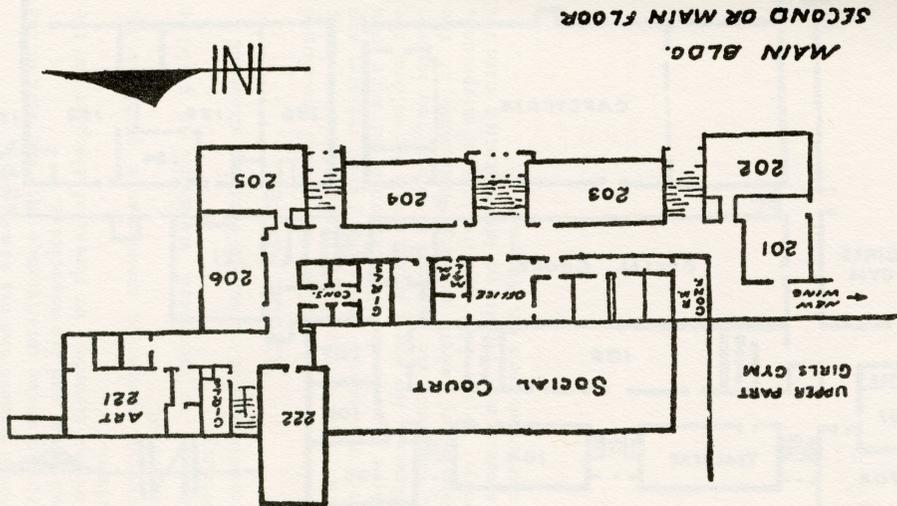

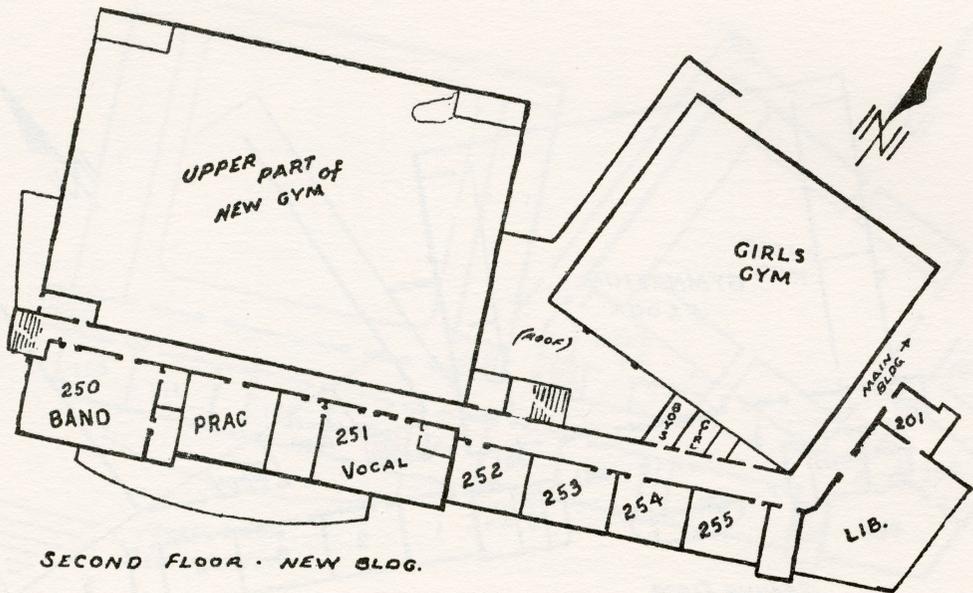

1. Safeguard the health and safety of the individual student and his associates.
2. Prevent undue interference with the work of the individual and his associates.
3. Prevent disorder or threat of disorder in the school.
4. Prevent excessive maintenance problems for the school.
5. Conform to accepted standards of public morality.
6. Promote a good classroom learning situation.

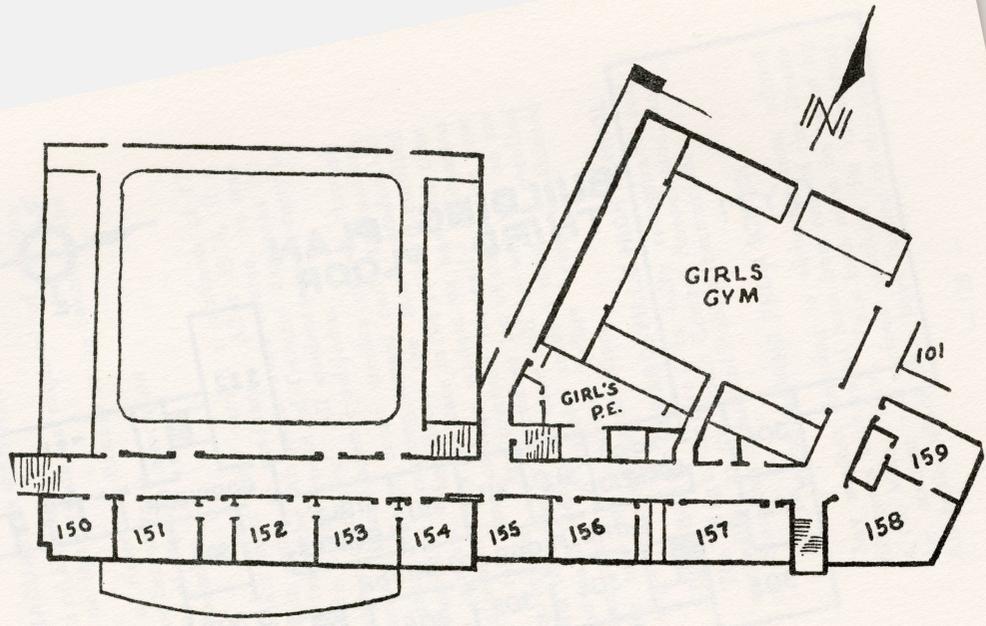

SCHOOL DANCES

All dances sponsored by the school are closed events. This means that if students wish to bring a guest to a school dance, they must register and purchase a ticket for that person in advance from Mr. Nunes. No guest tickets will be sold at the door. Students are required to show their identification card when seeking admission to the activity. If the I.D. card is lost or misplaced, the student may obtain an identification card for that one event from Mr. Nunes.

GRADUATION REQUIREMENTS

Three years of English.

One year of Math (Math is required of all 9th graders).

One year of American History to be taken in the Junior or Senior year.

Four years of physical education

Driver education

Health

A student must have earned a minimum of 17 credits in order to graduate. After 1974, if a student fails the 9th grade math course, he may substitute a full credit of General business for the Math requirement. All students must carry a minimum of four academic subjects.

Students cannot count credits earned through correspondence courses toward early graduation. Any student who meets the above graduation requirements may graduate in 3½ years if enrolled as a full time college student or has full time employment. Applications for early graduation must be made by December 1st of the senior year and each individual case will be weighed on its own merit. A transfer student must be enrolled for one full semester before being considered eligible for early graduation.

STANDING OF EDWARDSVILLE HIGH SCHOOL

The High School is fully recognized and accredited by the North Central Association, and the State Department of Public Instruction.

WITHDRAWING FROM SCHOOL

Any student desiring to withdraw from school will get a withdrawal form from one of the Deans in the Main Office. This form must be taken by the student to various stations for clearance. All books which have been issued to the student

are to be turned in to each teacher who will then issue a grade for the work in class up to the time of withdrawal and also sign the clearance sheet. After all of the proper signatures have been obtained, the form should be turned in to Mr. Foe in the Main Office. The student will be given one copy of the form to take with him.

STUDENT LOCKERS

Locker assignments will be issued to the students during the first week of school. If a problem arises concerning lockers, please contact Mrs. Borgstede in the Office and she will attempt to find locker space elsewhere for you. Broken lockers should be reported to her also. The high school custodian will then repair the locker if possible. Lockers may be opened by the school authorities at their discretion.

Locker numbers run as follows:

WORK PERMITS

Working when school is in session is discouraged. It will be granted only when the student's schedule permits and when classroom work is satisfactory. Written requests from parents and the employer must be filed with the respective Deans each semester. Work permits will be reviewed by the Deans and may be cancelled at any time. Students who plan to work must sign up for the early bird morning schedule.

SCHEDULE CHANGES

Due to the large number of students at EHS schedule changes are not allowed except those based on absolute need. All necessary schedule changes must be made within the first 2 weeks of each semester. Students should see their counselors if they feel a schedule change is needed.

CANCELLATION OF SCHOOL

In case of snow or other emergency, listen to Radio Station KMOX or WRTH after 6:15 a.m, to if school has been cancelled. If school has been cancelled, the days will be made up in June.

SCHOOL INSURANCE

Insurance is offered to high school students by insurance companies that specialize in this type of coverage. Printed information and materials contain the details on what the policy covers. This information is distributed at the beginning of school. Read your insurance material carefully to ascertain what coverage is offered.

SIGNAL BELLS AND PASSING

Five minutes is the time allowed for passing between classes. This is ample time if you remember it is a passing and not a social period. Move quickly and quietly without loitering. Keep to the right.

WESTINGHOUSE SCIENCE TALENT SEARCH

Each year the Westinghouse Company sponsors a contest to find high school students with scholastic talent. Students taking part must have a high scholastic standing in all high school subjects, plan to do a good scientific project, take a science test sent out by Westinghouse, and receive a good recommendation from their teachers. The science project must be done during the Junior year.

From the students in the United States participating, forty are selected for further testing. Winners there receive scholarships ranging from \$100 to \$2800. For further information contact Mr. Day.

ILLINOIS SCHOLARSHIP COMMISSION GRANTS

These grants are given strictly according to financial need determined on the basis of a financial statement that must be submitted by the parent or guardian. The grants cover tuition and fees up to \$1,200 a year, but not to exceed tuitional fees, in any of the 75 approved Illinois colleges and universities.

ILLINOIS STATE SCHOLARSHIPS

The title of these awards is somewhat misleading because honorary awards—not scholarships—are given to students who do well on the competitive ACT exam given in the Spring or Summer of their Junior year.

OVERBECK SCHOLARSHIP

This cash award is given to a deserving Senior who has shown outstanding interest and ability in architectural design, or a closely related field,

and plans continued study in this area after graduation. The winner is chosen by a combined nomination from Mrs. Miller and an interview with the donor of the award.

DAR AND SAR AWARDS

These awards, based on dependability, service, leadership, and patriotism, are given to a Senior girl and a Senior boy. This is voted on by the Senior class with the teachers making the final selections from the top 3 nominated for each good citizen award.

Awards and Honors

AMERICAN LEGION AWARD

The American Legion Award is annually awarded in the public and private schools in the state, to the boy and girl of the graduating class who best represents those qualities of character and ability, which will result in worthy citizenship and well rounded manhood and womanhood. The recipients of these medals are chosen by the members of the Senior Class.

ATHLETIC AWARDS

Letters are awarded on ability, good sportsmanship and team cooperation.

Football: One-half total quarters played by the team in a season.

Basketball: One-half of total quarters played by the team in a season.

Track: Must earn fifteen points during the season or earn at least one point in the senior division of the conference, county or district meet and/or be recommended by the coach and principal.

Tennis: To receive a tennis award, a player must make the tennis team which consists of seven members.

Seniors who have been out for football or basketball for 3 years are awarded a letter if they have played at least as many quarters as there are games in the season.

Cross Country: Discretion of the coach but general rule is if the player scores in approximately two-thirds of the meets.

ATTENDANCE AWARDS

Seniors with perfect attendance during their four years at the high school are given certificates of recognition.

AUERBACH AWARD

The Auerbach Award, consisting of cash, is given each year to some senior boy or girl. The award is not based upon scholastic achievement, but is the recognition of some worthy person who has developed some field of interest in school, and who has exhibited an acceptable personality and the ability to get along with others.

BAND LETTERS

Requirements:

1. An average of 30 minutes home practice per day.
2. At least 95 per cent punctual attendance at all band activities.
3. 300 "extra points" gained by work on the staff, extra performances or practice, solo or ensemble playing, outside reading or listening, etc.
4. Satisfactory co-operation at all times.
5. Meet sales requirements.

A Senior Band Award is presented to seniors who have played in band throughout their entire 4 years at Edwardsville High School.

HONOR ROLL

Students who make high marks are placed on the honor roll each semester. In order to be listed on the honor roll, a student must have a 3.5 average or better out of the 4.00 average possible. In addition to the above, a student taking physical education must be doing satisfactory work.

NATIONAL HONOR SOCIETY

The Edwardsville chapter of the National Honor Society was organized in the spring of 1963. Juniors and seniors who have an average of B (3.00) are candidates for membership. The eligible candidates are then rated by the faculty on their leadership, character, and service. Thirty per cent of the senior candidates and twenty per cent of the junior candidates are selected. Failure on the part of the student to live up to the high ideals of the society can result in loss of membership.

Sponsor Mrs. J. D. Miller

SCHOLARSHIP AWARDS

Many colleges make scholarships available to graduating seniors with high scholarstic standings. Notifications of these scholarships are posted on the Counseling 224 Bulletin Board. Seniors should apply early for these scholarships.

TOP 10 PER CENT

Membership in this group is based on enrollment figures and class rank at the end of the first semester of the senior year. This group is distinguished at graduation exercises by receiving an honor pin and the wearing of a white robe.

UNIVERSITY OF ILLINOIS SCHOLARSHIP

Competitive scholarships to the University of Illinois are awarded each year to six students in Madison County. The examination for the scholarship is the ACT given in the spring or summer of the student's Junior year or in the fall of his Senior year. The scholarship provides free tuition during the four years of college.

LETTERMAN'S AWARD

The Letterman's Award is an award presented to the senior letterman who makes the highest scholastic average during his years at E.H.S. The trophy is a traveling award and the winner's name is engraved on it each year.

SCIENCE AWARDS

Since 1939 an award in science has been given to a senior who has shown an unusual interest and ability in science work. This award is the gift of the Bausch and Lomb Optical Company.

SCHOOL BUSES

Bus transportation and the formation of Community School District No. 7 has extended Edwardsville High School into a large area. When students are being transported to and from school on buses or in cars they are as much a part of the school as though they were on the campus. The same rules of good citizenship, and fair play should be the same as those on the school grounds.

CLASS ROOMS

Students should become quiet and give the teacher their attention as soon as the bell rings taking up the class. Students should be in their seats when the bell rings to begin class. Students are asked to wait until dismissed by the teacher before leaving the class at the end of the hour, and then leave in an orderly manner.

ASSEMBLY SEATING

SENIORS- Downstairs East Side of Gym
SOPHOMORES- Upstairs East Balcony of Gym
JUNIORS- Downstairs West Side of Gym
FRESHMEN- Upstairs West Balcony of Gym

Students are to be seated according to their home room during assemblies unless instructed otherwise.

THE HOME ROOM

The student body of the high school is organized into a student council. The units of organization are the students' home rooms which normally meet once a week. It is hoped that the home room will serve as the student's school home. For the individual students the home room offers many opportunities to help in formulating school policies and in the social, educational,

and recreational activities. Matters pertaining to the welfare of the school community may originate in the home room and through its representative be referred to the Student Council.

CLASS OFFICERS AND SPONSORS

Each of the four classes in high school is organized for the purpose of conducting activities. Class officers, consisting of a president, vice president, secretary and treasurer, will be elected early in the school year. Petitions for those who wish to run for class office may be picked up from the office of the Student Council sponsor. There is a sponsor for each class who supervises class activities.

COURSE FEES

Students pay a flat \$5.50 fee each semester for textbook rental. This is used to provide textbooks, workbooks, laboratory manuals, music, student handbook. This fee does not include magazine subscriptions, laboratory breakage fees, mechanical drawing materials, shop materials, gym towel rental, or physical education locks. Fees are due the first week of school and are paid to Home Room teachers.

Textbooks should be treated with care. Fines will be assessed for textbooks lost, damaged, or defaced.

TOWEL FEES

All are required to pay a towel fee. The only exceptions are those that have physicians' statement excusing them from physical activity. The physicians' statement must have been obtained during the current school year. The towel fee

covers the expense of furnishing a clean towel each time one takes a shower. The amount of the fee will be approximately \$ 3.50 to \$4.00 per semester depending on the amount charged to the school by the company.

Since athletic teams practice each day, boys out for athletics will pay about \$2.25 per sport, and additional charges will be made in cases where boys practice for the sport outside the normal season for the sport.

FIRE DRILLS

As a safety precaution, fire drills are held frequently throughout the school year. Because of the danger involved in a crowded building, students should co-operate in every way. When the fire alarm rings each teacher will direct the students to the nearest exit from that particular room. Students should pass quickly and quietly from the building. After getting outside the building, students should continue to move away from the building so that there will be no crowding around the doors.

TORNADO DRILLS

If dangerous appearing cloud formations are sighted in this area, classes will be warned by an announcement over the intercommunication system.

Since experience has shown that most dangerous places in school buildings which have been hit by a tornado are large rooms (cafeteria and gym), top floors and areas next to windows, the following procedure is set up in case of a tornado alarm.

First floor — remain in classrooms and move away from windows.

Second floor — go to hallway on 1st floor.

Third floor — go to hallway on 2nd floor.

Girls gym — go to the wrestling room.

Boys gym — go to dressing rooms on west side.
Shop wing — go to hallway outside of shops and
the hallway in front of the cafeteria.

Students who remain in classrooms should get under desks if possible to protect themselves from falling plaster, glass, etc. Students are cautioned not to run. The ground speed of a tornado is relatively slow.

LIBRARY REGULATIONS

When taking a book from the library, a student should sign the book card inside the front cover with his name and home room number. He should leave this card at the charging desk where the librarian in charge stamps the return date in the book.

No student shall sign out a book in another student's name.

Books may be checked out for two weeks.

Fines on books that are kept out overtime will be 2 cents a day.

Books that are overdue or lost will be charged to the person whose name appears on the book card. If a book is lost, a fair price is charged according to the cost of the book.

A student should replace books and magazines to their places or return them to the charging desk to be replaced if they are not going to be checked out.

The library is used as a study hall only when it is necessary to use the library facilities — i.e., reference books etc. Other studying should be done in a regular study hall.

LOST AND FOUND

Articles which are lost should be returned to the Student Council bookstore in the gym lobby. Students may inquire there for lost articles. Lost

textbooks that are turned in to the bookstore will be returned to the student if the name is inside the book.

Past observations point to the fact that many students are careless in handling their books, purses, wraps, etc., leaving them about the building. This practice encourages stealing and misappropriation as well as giving the building an untidy appearance. Books or other articles are not to be left on top of lockers.

Students dressing for physical education should not leave valuables in their pockets or purses. The school can be responsible only if valuables are checked with the instructor or athletic coach in the prescribed manner.

Students should not bring large sums of money to school.

STUDENT COUNCIL BOOKSTORE

The Bookstore is operated by the Student Council. It is located in the gym lobby. It sells paperback books, index cards, rulers, typing erasers, term paper covers, graph paper, folders, and other useful items. Any profit is used to defray expenses of various projects sponsored by the Student Council to benefit the student body.

TELEPHONES

Three telephones for student use have been provided. One is in the main entrance, another in the gym lobby, and the third in the hall near the cafeteria. These pay telephones were installed for student use. Do not ask to use the telephones in the high school offices. The phones there are for office use only. Students are requested not to damage the pay phones and cause inconvenience to others who might want to use them.

CAFETERIA

Students who want a plate lunch may purchase one for 40 cents. The lunch served is a Type A lunch under the Federal and State Hot Lunch Programs and the school receives a subsidy for each meal served to students. Students may add to the basic meal with dessert, salad, etc., at extra cost. Sandwiches and individual items may be selected for a slightly higher price than the Type A lunch because the government subsidy is not received in this case. White milk in unlimited quantities will be available to students at the price of 3 cents per half-pint carton. Payments for lunches must be made by cash in the lunch line.

A Type A hamburger and fries plate lunch may also be purchased for 40 cents. A sack lunch is available to the students at a cost of 40 cents. It contains a sandwich, chips, cookie, fruit, and milk.

Students who wish, may bring their lunch, and may add to it with items purchased from the snack bar in the cafeteria. All food must be eaten in the cafeteria. Free lunches are available to those who would need them. Applications for this may be secured from the school nurse.

GUIDANCE SERVICES

Every student will be assigned a counselor and will be scheduled for at least one counseling session during the year. However, students do not need to wait until they are scheduled for counseling; they are encouraged to contact their counselor at any time they have questions or need help. The counselor assigned a student should be consulted about schedules or other school problems.

A comprehensive testing program is conducted by the guidance department. Test results become a part of the student's permanent record and are available to teachers and counselors. Counsel-

ors are trained and encouraged to interpret test results for students and parents.

Counselors are available to assist students in solving educational or personal problems. Students are encouraged to visit counselors at any time they have educational, occupational, or other problems. Counselors assist students in making future educational plans particularly regarding plans for attending college.

Counselors are teachers with special training to help young people solve their problems. Feel free to turn to them when you need help.

The counselor that is assigned to a student is indicated by a number in the upper right hand corner of the class schedule. The following is a list of the numbers and the names of the counselors.

1. Mr. Johnson
2. Mrs. Henderson
3. Mrs. Hayes
4. Mr. Oberle
5. Mr. Heinemeier
6. Mrs. Johnson

Mr. Webb is the vocational counselor and his office is located off the hall next to the cafeteria. He will help locate, document, and present current occupational information for students, teachers, and other counselors. He will help plan careers with students who do not choose to enter college immediately after high school. His office will help find jobs for graduates and others.

STUDENT COUNCIL CONSTITUTION OF THE STUDENT COUNCIL OF THE EDWARDSVILLE HIGH SCHOOL

Adopted May 22, 1941

Revised May 8, 1950

April 29, 1953

May 31, 1960

March 16, 1965

June 9, 1966

November 4, 1969

February 25, 1971

We, the representatives of the Edwardsville High School student body, in order to stimulate cooperation among the faculty, administration, and students, respond in a proper attitude toward the problems of the student body, stress greater loyalty, interest and democratic policies, do ordain and establish this constitution for the Edwardsville Senior High School Student Council.

ARTICLE I

Organizations

1. The Student Council shall consist of members elected from Home Rooms. If an officer is elected from the regular members, in the following election there shall be an additional representative with voting power elected from his or her Home Room.
2. Freshman Home Room representatives are to be elected no later than the last week of September to serve to the following May. There is a second election during the Spring quarter for the representatives to serve the following year — that is the Sophomore year — to take office the fourth week in May of the Freshman year.

Sophomore: Home Room representatives are to be elected during the Spring quarter to serve the following year. They take office in the fourth week of May in the Sophomore year.

Junior: Home Room representatives are to be elected during the Spring quarter to serve the following year. They take office in the fourth week of May in the Junior year.

The four class presidents shall become voting members of the Student Council.

ARTICLE II

Election of Officers

1. The President and vice-president shall submit their nominations to the Certification Committee no later than the second week in February. These officers are to be students of good standing and are to have had one year's previous experience in the Student Council. They shall be elected in an assembly by the student body. They shall be elected on separate ballots. They may campaign one week previous to the election, after having been certified by the present active Executive Board.

2. The secretary, treasurer and scribe shall be elected at a regular Student Council meeting no later than the third week in March. They shall be nominated the week following the election of the President and Vice-President.

3. All officers are to become non-voting members. The President will vote only in case of a tie vote, if he so chooses. All the officers are to have had one year's previous experience in the Student Council

All officers are to take office the last week of May.

4. The President shall be elected from the Junior representatives.
5. The Vice-President and Secretary shall be elected from the representatives with one year's experience.
6. The Treasurer and the Scribe shall be elected from the Sophomore representatives.

ARTICLE III

Duties of the President

1. The President shall preside at all meetings. He will vote only in case of a tie. The president shall appoint all committees and shall be ex-officio chairman.

Duties of the Vice President

2. The vice president shall assume the duties of the president in case of his absence or at his request. The vice president shall keep a record of attendance of each meeting and shall be a member of each committee.

Duties of the Secretary

3. The secretary shall keep a record of all Student Council meetings. The secretary shall handle all Student Council correspondence and shall be a member of all Student Council committees.

Duties of the Treasurer

4. The treasurer shall keep a record of the expenditures and receipts and shall make a financial report to the Student Council on the first meeting of each month. All funds shall be kept in the school activity fund and payment of all bills must be approved by the advisor. The treasurer shall be a member of all other Student Council committees.

Duties of the Scribe

5. The scribe shall assist the secretary in any business undertaken by the latter officer and the scribe shall keep complete official record of all committee meetings.

Duties of the Representative

6. The representative is the voice of the students of his respective Home Room. It is the duty of the representative to attend all Student Council meetings and to accept any committee appointment made by the president. The representative's attitude toward the council can be subject to question by the executive committee after consultation with the advisor.

Duties of the Representative at Large

7. There may be 5 representatives at large serving the Student Council. The representatives at large are to be nominated by the president and approved by the Council by a two-thirds majority vote. These representatives shall not be regular Home Room representatives at the time of their selection to the office.

ARTICLE IV

1. The Student Council shall meet every week. Special meetings may be called by the President with the consent of the advisor.

2. At least two-thirds of the members of the Student Council must be present to conduct a meeting.

ARTICLE V

1. A petition for a change to the constitution must be signed by five members and be submitted to the Student Council at a regular meeting at least one week previous to its adoption.

2. Changes may be ratified by an affirmative vote or two-thirds of all the voting members present at a regular meeting.

STUDENT COUNCIL BY LAWS

Adopted March 10, 1971

Once representatives have been elected to Student Council, they will have to become active and involved in order to continue as a home room representative. Each Student Council member will be required to earn 4 points each quarter. Points are earned by working on Student Council committees. Each member will be assigned at least two committees to work on. Points are earned by actual work on the committee and not by simply being a member of the committee. Quarterly point reports are to be turned in to the points committee by October 29, December 22, February 28, and May 25. Members who do not earn at least 4 points in a given quarter will be replaced by their elected alternate. Points may not be accumulated from one quarter to another.

The following list is composed of committees that can be added to or detracted from as determined by the Student Council members.

- Board meeting committee
- Bookstore committee
- Bulletin board committee
- Charity committee
- Concessions committee
- Curriculum committee
- Dance committee
- Exchange committee
- Executive committee
- Ecology newsletter committee
- Elections committee
- Freshman orientation committee

Handbook committee
Hall monitor committee
Homecoming committee
KDSC and REPORTER committee
Monthly calendar committee
Paper and glass committee
Points committee (class presidents)
Publicity committee
Parking lot committee
School improvement committee
School spirit committee
Student-faculty relations committee

As a general rule, points will be given by the Points Committee on the following basis.

1. The executive committee will be given 4 points each quarter for carrying out the responsibilities of their office.
2. 1 Point will be awarded for working on a committee each quarter.
3. 2 Points will be awarded for Student Council work to be done after school hours. (concession stand, dances, charity work, etc.)

Curriculum

The curriculum of the Edwardsville High School has been planned to meet the needs of the student. Courses are added or dropped as needs change.

Students should plan their courses carefully with respect to their interests and abilities, and with respect to their plans for life beyond high school. Courses may be selected for general educational needs, for college preparatory, for a career or vocation, or for some combination of these purposes. Students are urged to consult their advisors, teachers, counselors, parents, and anyone else who is capable of providing help in selecting the courses which will serve their needs best.

AREA VOCATIONAL SCHOOL

Edwardsville participates in the Area Vocational School Program located at Collinsville High School. Highland, Lebanon, Livingston, O'Fallon, Triad, and Worden are other members of the Center. If you are interested in attending classes at the Area Center, fill out an application blank and give it to your counselor when you register. If the principal and your vocational counselor approve the application you will be admitted. Classes at the Center meet for 2½ hours, 5 days a week. Our school will provide bus transportation to and from the Center. All credits earned help the student meet graduation requirements.

EXTRACURRICULAR ACTIVITIES

All of the activities of Edwardsville High School are approved activities of the Illinois High School Association. As such, they come under the sanction of the I.H.S.A., and therefore fall under the rules and regulations adopted and enforced by the association.

Participation in school activities offers an opportunity for some of the best experience that can be gained while attending high school. However, no student should permit these activities to absorb so much time and energy that a deterioration in school work results.

We would like to encourage the formation of clubs in which there is student and teacher interest. Clubs may be formed, but of necessity will need to meet before or preferably after school. If you would like to form a club, please contact Mr. Nunes.

FIGHT SONG

EDWARDSVILLE WILL WIN THIS GAME

Edwardsville will win this game.
Listen to our cheer — Go Tigers!
Sound the glory of our name.
Spread it far and near — Go Tigers!
Alma mater praise to thee.
And our teammates, too — Go Tigers
Marching on to victory,
Let's Go, Tigers, Go! (repeat three times)

WE GOT THE WHOLE SCHOOL

We got the whole school, on our side.
We got the whole school, on our side.
We got the whole school, on our side.
We got the whole school on our side.
We got the funny, funny freshmen — on our side.
We got the funny, funny freshmen — on our side.
We got the funny, funny freshmen — on our side.
We got the whole school on our side.
We got the silly, silly sophomores — on our side.
We got the silly, silly sophomores — on our side.
We got the silly, silly sophomores — on our side.
We got the whole school on our side.
We got the jolly, jolly juniors — on our side.
We got the jolly, jolly juniors — on our side.
We got the jolly, jolly juniors — on our side.
We got the whole school on our side.
We got the mighty, mighty seniors — on our side.
We got the mighty, mighty seniors — on our side.

LOYALTY

We're loyal to you, E. H. S.
To your colors we're true, E. H. S.
We'll back you to stand
'Gainst the best in the land
For we know you have sand, E. H. S.
Rah! Rah!
So Smash that blockade, E. H. S.
Go clashing ahead, E. H. S.
Our team is our fame protector, On!
boys, for we expect a
Vict'ry from you, E. H. S., Che-he!
Che-ha! Che-ha-ha-na!
Che-he! Che-ha! Che-ha-ha-ha!
E. H. S.! E. H. S.! E. H. S.!

Fling out that dear old flag.
Black and Orange in hue
Lead on your sons and daughters.
fighting for you,
Like men of old, on giants
placing reliance, shouting
defiance — Os-kay-wow-wow!
Amid the broad green plains
that nourish our land,
For honest labor and for learning we stand
And unto thee we pledge our heart and hand.
Dear Alma Mater, E. H. S.
