Dear Brother Willie

Your most welcome letter of the 3rd of last month and I can assure you that it was most welcome received. I have just came of from inspection and I expect that we wil be ordered to leave our winter quarters in account of these late reverses that we have had and I hope to God that we wil be ordered to meet the damn Scoundrels for I feel confident that we would be able to give them a damn good whippin and I think that that is just what they want to have to get there heck less movements

You asked me in your last letter if I wanted you to send me some books or not wal I could say that I would like nothing better but I am afraid that it might be ordered to leave

Winters quarters at any
moment & then it would
be a clear loss.
in Your letter I should judge
that You had formed quite
an agreeable acquaintance
with Miss Annie McLean
but I see that You have
not yet forgotten the
Lovely Fannie Clark
but You had better give
up all ideas of ever
meeting her again as she
is under the care of a
& some of his devoted
followers will step in
at head of You
at least - that is my
thoughts at present
for I am afraid that
this cursed War will last
for some time yet -
Give love to all
I remain Your ever devoted
Brother H R Mundy
