Jesus Christ Superstar is presented through exclusive arrange with The Rodgers and Hammerstein Theatre Library, 229 West 28th Street, 11th Floor, New York, New York, 10001 and The Really Useful Group Limited. TM © 1996 The Really Useful Group Limited.

After the performance we invite family and friends of the cast, crew and pit of
Jesus Christ Superstar to greet them in the Green Room (B116).

DRAMATURGY.

- *Jesus Christ Superstar* began as an album in the U.K. It was released in 1970.
- When it was brought to America, it was put on by various high schools. Due to copyright laws, these productions were quickly shut down.
- In 1971, *Jesus Christ Superstar* opened on Broadway. The original cast included Jeff Fenholt as Jesus Christ, Ben Vereen as Judas Iscariot, and Bob Bingham as Caiaphas.
- When it began its run, *Jesus Christ Superstar* sparked a lot of controversy. Various Christian groups thought that the absence of a resurrection scene, among other things, was sacrilegious. Some Jewish groups were offended because of the portrayal of the Jewish high priests, who were the supposed villains of the show.
- *Jesus Christ Superstar* closed on Broadway after an eighteen-month-long run.
