As the curtain falls on our last home game of the season, I wish to take "time out" to offer my sincerest thanks to you fans who have so wonderfully supported our fighting basketball team. Because of your splendid cooperation it will be possible to bring you an even more colorful and attractive schedule next year.

Edwardsville enjoys state recognition because of its excellent band and it is gradually carving a niche in the athletic map, due largely to the enthusiastic citizens who take pride in the accomplishments of their sons and daughters. Already some of the best teams of this state and other states are asking for games for next year.

Every official who works a game remarks about the good sportsmanship of our team. You parents are to be congratulated upon your fine home training that shows your son to be a gentleman even under the heat of a hard fought contest. To me, this is one of the greatest things to be derived from high school competition. The boys who give their all, and yet lose a game without losing their self-respect, and always uphold the colors "Orange and Black", have attained something from athletics which money cannot buy nor man take away.

Altho we lose two stars by graduation - Captain Soehlke and Paul Burrus - we will have others to fight to carry on the traditions set by these fighting Tigers, and basketball will live on, because of the prestige these fellows have helped us to gain.

We have one of the best equipped teams in the state, and I am certain that no team in the United States surpasses ours in conscientious training, good fellowship, fight, morale, character and undying spirit. Thus we enter the Wood River District Tournament which we are going to try to win, but win or lose, just keep in mind that the boys are doing their BEST and that you are watching the play of a team of Gentlemen.

"For when the one Great Scorer comes to write against your name - He writes not that you won or lost - but how you played the game."

S. A. Kole

## TO OUR TIGERS

Through hours of practice and days of toil,  
You have come to the Final Test,  
And my only word of advice to you now,  
Is to continue to give your Best.

Meet each District Foe with that same old Spirit  
That has guided you throughout the year,  
Face each team with the "Will to Win,"  
Plus that confidence that knows no fear.  
Your defense is going to be plenty tight,  
A different offense for each team you meet,  
Makes me feel that you are ready now  
Your Final Test to greet.
