SHOT CHART

A diagram of a semi-circular arch. The arch is represented by a horizontal line at the top and a semi-circular curve below it. At the center of the horizontal line, there is a small rectangular block with diagonal hatching, representing a support or pier.

A diagram of a semi-circular arch. The arch is represented by a light blue shaded area. The top edge is a horizontal line, and the bottom edge is a semi-circular curve. A small rectangular support is shown at the crown of the arch, indicated by a hatched pattern.

MEMBERSHIP FEE**\$5.00

This fee will cover the expense of awards. Awards shall consist of plaques to A and B team winners.

LEAGUE TIE

In case of league tie, co-champions will be named.

GAME TIME

- a Teams 25 or 30 minute halves with 7 minutes in between halves
 - b Team 20 or 25 minute halves with 5 minutes between halves
- Coaches should discuss this before game begins

TIE GAMES

Tie games will not be played off

FIELD MARKINGS

If a field is marked incorrectly, every effort should be made to correct the lines at the game site.

OFFICIALS

The home team will hire the officials. If an unratified official is to be used, the home team must notify the opponent 24 hours before the game.

PLAYER LIMITATIONS

A player may play on either A or B or both teams. She may not play more than 2 halves per day. Entry into the game, no matter how long, constitutes a half.

*****Please look at GAME TIME, as many of the coaches wanted to be given the freedom to select the length of halves, depending on the starting time of their games. If the teams do not agree on the 30 minutes for A or the 25 minutes for B, they will play 25 or 20--as last year. Both coaches must be in agreement to lengthen the halves.....
