The plat below is a continuation from page 127, and was made to represent surveys made at the same time for the same person.

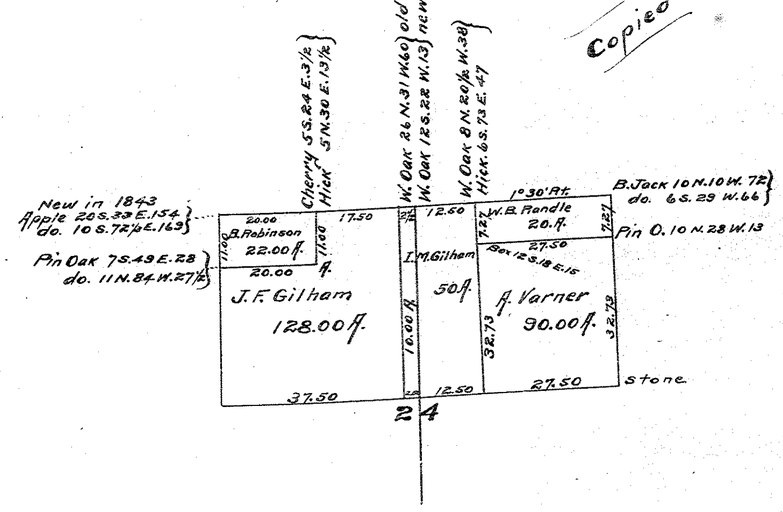

The South West qr. of Section 8 above was made fractional by a 100. Acre Survey, as the line across its North West cor will show, as will the area, but as Mrs. Jarrot owned all the rest of the land covered by said Survey it was taken from the plat to make listing for taxes easy.
